

■ COSMETIC CAMO
 We're forever seeking a concealer that looks natural, yet covers like spackle. The quirky cosmetics company **Benefit** created a lightweight powder concealer called **Powderflage**. It not only covers up blemishes and dark circles but also brightens eyes and hides fine lines. Powderflage also works great over cream concealer around eyes to keep it from sliding off.
■ Powderflage is \$32 at Sephora, 11731 W. 95th St., Overland Park, Oak Park Mall. 913-859-9750; www.sephora.com. Benefit's Web site: www.benefitcosmetics.com.

■ FALL FOLIAGE
 Warm autumn browns, oranges and greens just have a way of putting us in the mood for fall. **Two Chic Blvd.** in Overland Park carries this **Wish Collection** sheer blouse with nude lining in wonderful fall colors. The green abbreviated trench by **Nelsay** is right on trend — the short jacket is one of the must-haves this season.

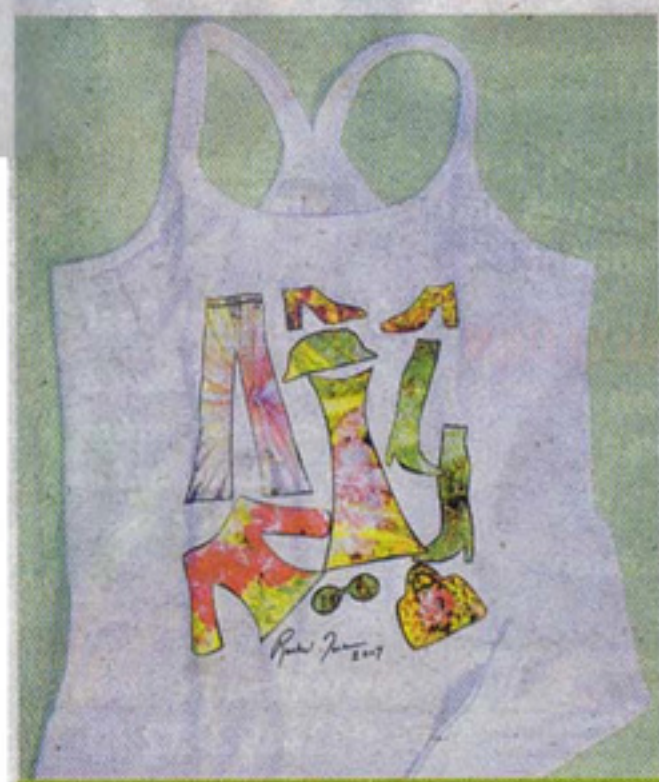

Two Chic Blvd. sells a fun assortment of trendy clothing, accessories and shoes.
■ The top is \$68, the jacket \$85, both at Two Chic Blvd., 16070 Metcalf Ave., Overland Park. 913-239-9356; www.twochicblvd.com.
